EDITOR'S LETTER

Brrr! Is anyone else feeling a bit parky now? There's no two ways around it, now that Fireworks Night is behind us it's time to pull up the collar, stuff the draught excluder in front of the door and hole-up in the warmth for the next few months. Still, it could be worse, because we've gathered together another cavalcade of cuties to keep you company. If they can't bring a warm glow to your vitals then it's going to be a long winter!

DIRTY DEN

Dear *Mayfair*,
For as long as I can remember, I've always wanted a den/games room and when my girlfriend and I bought our first house, I quickly figured out that the basement would be perfect for just that. So I asked my best mate Paul, who's a builder and carpenter, to give me a hand to transform the empty space into the man-cave of my dreams!

It took a few weeks of working in the evenings and at weekends to complete, but when we'd finished it looked awesome! I had managed to find a genuine pub pool table on an internet auction site and I put it in pride of place, in the middle of the room. The day we moved it in, I insisted Paul should be the first one to have a game with me, to 'christen' it.

Halfway through the game, my girlfriend, Karen, arrived home from work and came downstairs for a nosey at my new hideaway. After she'd said hi and made a bit of small-talk with Paul, I handed her my cue to take a shot for me – she can beat me on a good day, so I knew she'd nail it, which she did.

Paul and Karen always had good banter between them, but this particular day there was a palpable sexual tension between them, which I'd never noticed before. When Paul cheekily said that there was more than one way to christen a pool table, I knew Karen would have an equally smart answer. What I wasn't expecting, however, was for her to quip that if she missed the next shot, she'd let him fuck her there and then!

I wasn't shocked at her forwardness – a little surprised, perhaps – as Karen was not only one of the most outspoken women I'd ever met, but I knew she'd always fantasized about having a threesome with another man. We'd spoken about it quite a bit between the sheets and I knew the opportunity would present itself eventually in our relationship.

When Karen lined up to take the shot, I thought she'd at least try to hit it but she didn't, let alone pot it! Equally, I figured that one of them would back down but they didn't – they simply egged each other on, each daring the other to make the first move. When they finally turned to me and asked what I reckoned, I told them to get on with it! I'm far from the jealous type and after so much talk about seeing Karen with another man, I was more than up for the whole situation!

Paul lifted Karen up so she was perched on the edge of the table, her long legs then wrapped round my mate's back as they snogged and I watched on. My cock immediately stiffened, beginning to strain against my jeans. Paul's got a pretty big dick (I've seen it in the showers at footie), so I knew she was in for a treat – and even with her big gob she'd have a problem eating his whole length!

I felt my hard member throb as I watched him peel off her top, revealing her big, pert tits, and then her tight jeans. She had a little thong on underneath, and he slipped his hand inside to play with her clit, making her gasp and moan as he sucked and pinched her nipples.

When Paul dropped his jeans, Karen's eyes lit up and as she grabbed herself a handful of his prick. I moved my hands inside my pants and began wanking mine too.

Karen's pretty supple and bent her knees right back, so her heels were on the edge of the table, near her arse. This opened her shaven pussy right up and Paul yanked her tiny knickers to one side, then used his helmet to tease her slit. She carried on snogging him, her quivering tits the only sign that she was getting desperate for a good boning, and I was just about to tell him to get the fuck on with it when he suddenly thrust his prick inside her juicy pussy.

She clung to him, humping her crotch hard up against his. Inside her pussy she'd be pumping hard too, sucking and holding him in with her tight muscles. He had the right tool for the job but not the pace – he only lasted a few minutes before I saw him go tense, then blast his splodge right up her pussy.

As Paul started to explain himself and make excuses for his lack of staying power (apparently he'd wanted to fuck her since he first met her and couldn't help himself), I walked over to take his place "Next time..." she moaned, then shifted position and opened her mouth so he could feed her his length to get hard again, while I fucked my girlfriend.

I brought her off quickly – I know exactly which buttons to press as we've been together so long – and then thrust hard and fast until I felt myself coming. I spurted up her snatch, which was already running a river, and thought Paul would steam in as soon as he was ready to go again, but he was too engrossed in the blow-job she was giving him, sucking and licking his shaft while cupping and squeezing his balls. So I got busy with my hands. I pushed three fingers inside her slippery pussy and started moving them like pistons, while I lubed another two up with spunk before slowly shoving them up her bumhole.

I soon realized that the harder I frigged her, the less gentle she became with Paul's cock. She'd angled herself so she could take him right down to his balls – the deepest he'd ever been throated in his entire life, he told us later. His arse was tensed right up as she gargled on his pre-come, and then suddenly he let out a big grunt and gave her a full, spunky load to swallow down.

That was eight months ago and we haven't repeated the experience – yet! Both Karen and I enjoyed the threesome and, when the situation naturally presents itself again we'll definitely have another go, but for the moment we are content just getting off on the memory of that wild evening!
Stephen, Letchworth.

BUZZY BEA!

Dear *Mayfair*,
Last month, after years of secretly buying and reading *Mayfair*, my wife found my latest issue – she blew her fucking top! I thought that was the end of it, the end of my porno mag habit, but a week later I came home from work much earlier than expected (in an attempt to try and patch things up) and found her masturbating over the very same mag – and she wasn't just having a sly finger...

Still feeling like I was in the doghouse, I'd slipped into our home quietly and went looking for Bea. She was nowhere to be seen downstairs and I was just about to settle down and have a gander at the paper when I heard a faint humming coming from above and crept up the stairs following the sound right to our bedroom.

Opening the door slightly, I was totally blown away by the sight that greeted me: my wife's naked arse and pussy riding a large, flesh coloured vibrator! Her round, peachy cheeks were facing me, her brown hole was winking in my direction and her hairy twat was clamped down tight on the fat dildo – needless to say, I got an

ALL FOUR ME!

Dear *Mayfair*,
I've never written to you before, but felt I really ought to after you featured not one, two or three but four of my favourite UK models in your latest issue (51.11)! Zara Mae's been tenting my trousers ever since she first appeared in your pages way back in volume 46 (doesn't time fly when you're looking at sexy women?!), and I have to say she's looking hotter than ever! Meanwhile Cara Brett and Amy Green have both established themselves firmly in the ranks of *Mayfair* legends, while Jada Cameo, despite being pretty new to the mag, has already clearly demonstrate she's got exactly what it takes to become one as well! And, it has to be said, Ariana, Maria and Lotti didn't let the standards down either! Long may you continue.
Alan, Lewisham.

OK, we'll admit it – when you find yourself driving down a secluded country lane with the delectable Ree Petra at your side, all dolled up in a transparent body, it doesn't take long before certain thoughts start to creep into your mind. After all, we wouldn't be the highly professional *Mayfair* minions we are if it didn't occur to us that we really ought to get a few pictures taken so we could share them with you lot! She must have known what we had in mind, too, because no sooner had we pulled over than she started to peel off what little clothing she was wearing – although oddly she seemed a little disappointed when we got the camera out...

immediate boner!

As quietly as I could, I undid my fly and pulled out my hardened cock, toying with it as I watched Bea ride the big vibe in front of me, moaning and groaning in a way she never did when I was fucking her! And just as I was about to make it clear that she wasn't alone, I saw her flick a page over in front of her and I knew I'd have to creep in and find out what it was she was reading before I let her know that I was there…

Sure enough, she was reading the letters in *Mayfair* and clearly getting off on them way more than I ever did.

"Great, is it?" I said loudly from less than a foot behind her. I hadn't seen Bea move that fast in a long time; she was up and off the bed, the vibrator whipped right out of her twat and tossed halfway across the room, the mag flung in the other direction. Her hair looked demented and she had a look in her eye that was part orgasm-chasing lust, part utter terror – there was something very sexy about it.

I walked in and picked up the copy of *Mayfair* and then I slowly walked over to the vibrator and picked that up too, switching it off at the base before looking directly at Bea. "I take it your opinions on mags have changed somewhat since our last discussion?" I said, closing in on her with the dildo held at waist height. Standing directly in front of her, I rubbed the large domed tip around her crotch and looked into her eyes.

"Just take off your clothes and fuck me with your big, hard cock and we'll talk about this later," she said, pushing her tongue into my mouth and grinding her pussy against the sex toy as I rubbed it back and forth along her slit.

"So get back on the bed like you were and I'll fuck you with more than just my cock," I smiled down at her. Dutifully, Bea climbed back onto her hands and knees and offered me her naked cunt from behind. I slid the vibrator back up her cunt, fucking her with it hard and thrilling to the ecstatic sounds she was making. But that was noting compared to when I swapped the vibrator for my cock and let her clit have it at maximum vibration – she came and came like it was going out of fashion.

She came so quickly that I wasn't even half ready to explode, but then came the words I had dreamt of hearing from her for years: "Come on my face," she said breathily, looking at me over her shoulder. Those words were almost enough to finish me off but I quickly pulled out and knelt there waiting for her to turn around and open her mouth. Bea sucked on my cock, wanking it furiously and telling me to cover her face and tits in my creamy spunk – believe me, if you've never heard your wife talk like that and suddenly she's pumping your dick up and down right in front of her face, you shower her in more spunk than either of you have seen in a long, long time!

So can I just say thanks *Mayfair* for changing my sex life into something I've only ever dreamed it could be like before!

Pete, Epping.

CLASSICS ROCK

Dear *Mayfair*,

Being 'of a certain age', I have to say your Classic section often brings back sweet memories, as well as proof (as if that were needed) that feminine beauty is timeless. Seeing Joanne Latham a few issues back reminded me of my student days, when she starred in a favourite fantasy, in which she was my Victorian mistress!

Luckily for me my time at college wasn't confined to fantasizing, because I was taken in hand by a kindly lady who liked to see students sowing their oats, but I was surprised to find that despite the fun I was having with Marion, I was enjoying wanking just as much as before – possibly more so, in fact! I longed to confess my dirty secret to her, but was far too shy in those days, until one day she stumbled across my stash when she was looking for a book I'd promised to lend her.

But despite my red face, she clearly wasn't averse to flicking through the pages of *Mayfair* either, and after that she would cuddle me in her plump arms as we leafed through the mags together, encouraging my erection with the touch of her silky soft thigh flesh.

She loved copying the poses that we admired in the magazine, displaying her pink fanny petals between the plump pillars of her creamy thighs. We always ended up fucking like rabbits instead of attending boring old lectures.

Needless to say, I have very fond memories of those times, and they always come flooding back when I see a Classic set that set my passions aflame all those years ago, so please pass on my thanks to all *Mayfair*'s naughty maidens for their contribution to the Joy of Life!

Gabriel, London.

Look, the Ed's been meaning to sort out the weeds on his patio for a while now, but he just hasn't managed to get round to it yet, OK? And he happens to like dandelions anyway. Erm, but what the hell are you looking at the paving for when there's a scrumptious specimen like Nikki getting her bits and pieces out for you? Oh, you weren't...

"Ha – I'd like to think they're paying a bit more attention to me than to the patio," she laughs. "After all, I'm making a real effort here..."

And don't you think it isn't appreciated, Nikki!

NEW ELISE OF LIFE!

Fancy grabbing your own slice of history - not to mention a tip-top motor - for less than £50K? Well, you'd better hurry up if so...

In a celebration of style and lightweight performance, and helping mark the 50th anniversary of the company's famous Hethel site, Lotus has revealed the latest addition to its collection: the exclusive Elise 250 Special Edition.

Based on the critically acclaimed Elise Cup 250 launched earlier this year, but featuring a raft of exclusive components as standard, the new Lotus Elise 250 Special Edition offers an outstanding combination of performance and panache. With a supercharged 243hp engine, a 0-60mph time of 3.9 seconds, and a unique, hand-finished interior, it perfectly defines the quintessential British sports car in this celebration year.

As an antidote to sterilised and staid modern cars, Lotus's approach continues to deliver the purest, undiluted driving experience. Tipping the scales at just 899kg, through the utilisation of advanced materials including carbon fibre and aluminium, the Elise 250 Special Edition remains true to the company's philosophy of 'Light is Right' and is capable of humbling far more common, yet expensive, rivals.

However, far from being solely performance orientated, the Elise 250 Special Edition is designed to appeal aesthetically as well as dynamically. A selection of beautifully finished carbon-fibre components come as standard, including a front splitter, rear wing, tailgate and front access panel, all giving the car considerable kerb appeal.

Drawing inspiration from some of the company's most alluring models, the new Elise is the perfect blend of both style and substance. As befitting a hand-built sports car from one of the world's most famous marques, it's beautifully detailed and conceived as a tribute to one of countless Lotus fans' favourite cars, the Lotus Elan, which was launched in 1963.

Draped in a composite body, the Elise 250 Special Edition is limited to just 50 examples. With a high specification as standard, it combines traditional British craftsmanship with the best of contemporary design. From the hand-made carbon components, to the hand-finished leather seats, it sets the benchmark for exclusive sports cars.

Jean-Marc Gales, CEO of Group Lotus plc, commented, "When we first introduced the Elise, it redefined how involving and exciting, yet civilised, a sports car could be. As the Elise was conceived, designed, engineered and is built at Hethel, we wanted a 50th tribute that's even lighter than the fastest road-going Elise we've ever produced. The new Elise 250 Special Edition achieves that, so it's supremely quick and agile, but it's also wonderfully finished and stunning to look at."

> THE NEW LOTUS ELISE 250 PERFECTLY DEFINES THE QUINTESSENTIAL BRITISH SPORTS CAR.

Helping celebrate the company's 50 years in Norfolk, the car is available on a first-come, first-served basis. The Elise 250 Special Edition is the latest in a series of unique products marking this milestone in the company's history.

The performance and handling characteristics of every Lotus are developed on the famous site's test track. Over the last 50 years it's been responsible for honing all the company's historic models, including the Elan, and Esprit, as well its fastest ever cars, the amazing Evora 400 and ballistic 3-Eleven.

The Elise 250 Special Edition is available in choice of four colours, each a long-standing favourite over the last 50 years. Classic metallic blue, red, yellow and white finishes are all complemented by ultralight forged wheels in silver, or black as an option. An optional carbon fibre hardtop roof panel is also available.

The same attention to detail continues inside, with the carbon-fibre sports seats finished in either dark blue or dark grey leather, and stitched with a choice of contrasting colours. The car's door trim is afforded the same hand-stitched finish.

Despite its sophistication, the Elise 250 Special Edition is just as at home on the track as it is on Bond Street. The new car laps the company's Hethel test circuit in 1 minute 34 seconds, the fastest recorded time for a production road-going Elise. The car carries over the same suspension and braking components from the Elise Cup 250, including Bilstein sports dampers and Eibach coaxial coil springs and double wishbone suspension. AP Racing twin-piston front calipers, and Brembo single-piston rear calipers work in conjunction with the track-tuned ABS system.

Fitted with a slick, six-speed manual gearbox, the new Elise also features a driver selectable 'Sport' setting, which proportionally increases throttle response, lowers traction slip thresholds and allows enhanced control before the system intervenes.

"DESPITE ITS SOPHISTICATION, THE ELISE 250 SPECIAL EDITION IS JUST AS AT HOME ON THE TRACK AS IT IS IN BOND STREET."

An integrated in-car entertainment system can also be specified, including Apple connectivity and Bluetooth functionality, along with air conditioning, cruise control, auxiliary driving lights, full carpets, floor mats and enhanced sound insulation.

The new Elise 250 Special Edition can also be personalised through the Lotus Exclusive programme. Combining craftsmanship with modern design, the service inspires customers to spend time tailoring the character of their Lotus with a comprehensive array of options to suit any budget. News of the special edition follows the Lotus Elise's success as Readers' Champion at the prestigious Autocar Awards. From a starting roster of 50, tens of thousands of motoring fans voted for the iconic car as part of an online competition.

The hand-built sports car from Norfolk has long been regarded as a benchmark within the industry, providing a level of precision and driver involvement that rivals can't match. Perfectly tuned for British roads, the Lotus Elise, intelligently equipped and surprisingly usable, lets owners enjoy driving day in, day out.

John goes to a bar where he pulls a gorgeous bird. At the end of the night he's pissed and desperate to fuck her, but decides to take things slowly. Instead of trying to jump her bones he asks if he can see her again. The girl agrees to go out with him the very next night. John says he'll pick her up at eight. The girl grabs a napkin off the bar to write her address and name down. She pulls a pen out of her handbag and writes down the address, but before she gets a chance to write her name the pen runs out. "It doesn't matter," she says. "You can easily remember my name; it's Frannie." John is worried that he's going to forget and as he staggers home all he keeps saying over and over again is "fanny with an 'R', fanny with an 'R'" to help him remember.

All through the next day he keeps repeating the same phrase. When he finally turns up at her house at eight o'clock he walks up the drive saying "Fanny with an 'R', fanny with an 'R'". He knocks at the door and the girl's dad answers.

"Can I help you?" he asks.

"Is Crunt in please?" says John.

"I'm afraid there's been a little mix-up. It says here you've been receiving Buttox injections..."

A man is very ill and keeps slipping in and out of a coma. As he lies in his hospital bed his wife never leaves his side. In one of his rare moments of lucidity he beckons to her to come close to his bed and whispers in her ear...

"You've been with me through all the bad times," he says. "When I lost my job you were right there with me. When the business I started went down the pan you never wavered. When I had that argument in the pub and got stabbed you were there all the way. When we lost the house you stuck it out with me. Then when I got so desperately ill you were still right there at my side."

The wife squeezes her husband's hand, blushing with pride.

"You know what?" he says. "I think you're a fucking jinx!"

M

A woman is driving around the M25 when her carphone rings. Her husband is on the line.

"Honey," he says. "I've just heard on the radio that there's some idiot going the wrong way around the M25. For God's sake be careful!"

"It's not just one idiot," she replies, terrified. "There are fucking hundreds of them!"

M

A blonde woman gets really pissed off with people thinking she's stupid. She decides that she's going to prove she's got a brain once and for all by painting a couple of rooms in the house all by herself. As soon as her husband leaves for work one morning she gets down to it.

When the husband gets home from work at about six he notices the strong smell of paint, then goes into the living room where he sees his wife lying on the floor in a pool of sweat. She's wearing a ski jacket and an expensive fur. He goes over to check that she's OK.

"I wanted to show you all blondes aren't dumb by doing all this painting," she croaks.

"But why are you dressed like that, darling?" he asks.

"Well I read the instructions," she answers. "And it said 'For best results put on two coats.'"

M

A man is at an airport car park with his wife and two children, waiting for the courtesy bus to turn up to take them to the terminal. They are standing there for ages with no sign of the bus. When it finally arrives it's absolutely packed, and while the wife and kids manage to squeeze on, there's no room for the husband or the blind man, so they have to walk to the terminal.

As they're walking along the constant tapping of the blind man's cane starts to really piss the man off. His patience eventually snaps and he says, "That noise is driving me mad! Why don't you put a rubber on the end of that stick?"

The blind man stops and says, "Listen mate. If you'd put a rubber on the end of yours then we'd both be on that fucking bus right now!"

Happiness

Ready for the ranks of super hot British cuties who've appeared in *Mayfair* to be swollen by another one? Good – so are we, so allow us to introduce Felicity – of Flick as she likes to call herself! She's only a small wee thing, but we reckon she's a perfectly formed package, and we're certainly hoping to be seeing plenty more of her in *Mayfair* in 2017. Hmm, and looking at her now, it's becoming all too clear that our ranks aren't the only thing to be swelling...

FELICITY

Scene from MAYFAIR

Has your DVD player been feeling a bit glum lately? Then perhaps it's time you gave it a treat - and things don't get much treatier than this month's selection of new and vintage releases!

GAME OF THRONES SEASON 6

Rumours are already starting to circulate along the lines that the golden age of TV – you know, the one that started with *The Sopranos* and went on to bring us the likes of *The Wire* and *Breaking Bad* – is officially over, but I reckon you'd be hard-pushed to write its obituary at least until *Game of Thrones* has come to an end, which means we've got another couple of years or so to revel in some of the finest television ever created. And to keep you going – or to wet your whistle before season seven sees the light of day next spring, here's the fancy boxset of six. And what a corker it is, too, with each of the various storylines leaping forward in a way that makes you think that yes, they might actually be able to wind up the plot with just another 20 hours or so of telly time. As ever, plenty of central characters fall by the wayside – thankfully some of them most deservedly, and the set pieces take the breath away. No wonder it bagged a record haul of Emmys recently.

TWO WOMEN/A SPECIAL DAY

It's easy enough to think of Sophia Loren as an arch example of mid 20th Century trans-Atlantic glamour – a sex symbol who went from one starring role in an epic production to another (by way of the occasional duet with Peter Sellers), but as these two films, which have been lovingly restored and presented by Cult Films, demonstrate all too clearly, she was above all else a highly talented actress. She'd already made quite a name for herself by 1960, but wasn't resting on her laurels when she chose to play a widow desperately trying to protect her daughter from the horrors of the war that was enfolding Italy towards the end of the war in *La Ciociara* (aka *Two Women*), and scooped the Best Actress Oscar that year – uniquely in a foreign language film. 1976's *A Special Day*, meanwhile, teams her up with Marcello Mastrioanni, playing a couple who seek solace on the day Hitler visited Rome in 1938.

Q VOLUME 1 (AKA QS 5-7)

Shamefully, once upon a time the BBC had a habit of deleting TV programmes once they'd been aired so they could reuse the videotape, which resulted in all sorts of classic series surviving in only fragmentary form, and sadly that means a few episodes of Spike Milligan's original 1969 *Q* series appear to be lost forever (not, thankfully, the first 4 series though – the first series to air was called *Q5*, which doesn't half making collections of them rather complicated). This welcome and long-overdue release from Simply Media has gathered the surviving episodes from *Q5* and all the (several years later) episodes from Qs *6* and *7* and packaged them into 480 minutes of fantastically surreal and innovative comedy. Could the Pythons have existed as we know them without Spike's genius? Not a chance, and now you can see why for yourself!

KAYLA

Age: 25 **Vital Stats:** 32C-27-36 5'4"
Photographer: BB Media

Hang on a sec – has it really been over two years since we last treated *Mayfair* readers to the sight of Kayla Louise in all her gloriousness? That's what it looks like, according to our (admittedly totally chaotic) records, and if that really is the case we can only apologise – firstly to Kayla herself, and secondly to you lot for making you wait so long. It only goes to show that time really does fly when you're having fun, and, well, working on *Mayfair* probably does involve more than its fair share of that!

MAYFAIR Movies

If you'd mastered DNA technology, would you use it to cure diseases and stuff, or to help you shag a load of hotties? Hmm, there's one for The Moral Maze to ponder...

Wicked

DNA

★★★★☆

CAST: Jessica Drake, Asa Akira, Chanel Preston, Abigail Mac, Courtney Taylor, Cristi Ann, Scarlet Red, Vanessa Veracruz.

Imagine, if you can, a near future in which women wear improbably collars (OK, that bit's quite easy) and, more to the point, genetic technology has advanced that anyone who's got the money can buy some time with the clone of a deceased loved one, rustled up with some DNA extracted from toothbrushes and the like. Well, it could happen, you know – but I think there'd have to be very strict ethical strictures placed on the industry. So on balance having a notorious splosher like Jessica Drake in charge of sales is bound to cause problems. And sure enough, it turns out that all the bereaved want to do is knob their departed loved ones senseless – or be knobbed by them! Chanel Preston has clearly been missing Tommy, and soon has his knob out to make up for lost time. There are plenty of cracking scenes to pick from – Asa Akira inevitably putting in a strong turn and ensuring her widower (the oddly named Small Hands) gets his money's worth, while boss Brad Armstrong's menage with Courtney and Cristi is every bit as good as you'd hope.

★★★★☆

MetArt/VivThomas

LINGERIE OBSESSION

CAST: Cara St Germain, Alexa Tomas, Léa Guerlin, Nekane, Mango A., Talia Mint, Taylor Sands, Lola.

Do you reckon they thought we'd be more likely to review it if they included the word lingerie in the title? Well, it's worked a treat, hasn't it, because here we are, and the Ed's asked for a borrow once I've done with the office copy.

Rather refreshingly for a grumble flick, instead of unconvincingly dubbed or broken English being spoken when the performers are foreign, they speak their own language, so we get to listen to a bit of Spanish before Cara and Alexa set about snogging. It seems Cara's asked her chum over for a striptease and a lezzie session, and Alexa doesn't disappoint. After that it's time to eat, with each girl chowing down on the other's shaven snizz, the frenzied groans no quite managing to drown out the fantastic slurping sounds. Nekane, meanwhile, oils up her boobs in the shower before Léa and her get down to business, their contrasting physiques complimenting each other perfectly. With four scenes in all, this compilation provides a goodly slice of classy lesbiage. **Available from your local sex shop.**

Harmony

BEST OF YOUNG HARLOTS

CAST: Christen Courtney, Coco Charnel, Tiffany Doll, Marina V, Charlize Tinkerbell, Iwai, Coco Del Mal, Henessy, Mandy Dee, Melanie, Zuzana Z.

If you're planning to make a compilation from a series of bongo flicks, you could do a lot worse than settle on Harmony's Young Harlots series. It's been going for a good few years now, and has featured dozens of the sauciest strumpets to have broken into the scruff business in that time. Frankly, I wouldn't know how to go about picking out the strongest eight scenes from all the YH titles, but someone had to, which must have meant a hell of a lot of grot-watching! And to be fair, whoever did pick them has done a pretty cracking job of it. The first scene features the delicious Christen doing some unmentionable things in a side (and, ahem, back) passage with randy tutor George, but of the remaining seven scenes, all bar one feature three randy fuckers – either two guys and a girl or vice versa, or three girls. Thankfully there are no scenes featuring three guys, mind...

★★★★★

Among the highlights are a double dicking for Zuzana, who puts her furry nadger to very good use, and a lesbo trio who wring every ounce of pleasure out of a whopping double dong. There's also plenty of DP action thrown in too, so you'd be hard pushed to get many more bangs for your buck than this. **Available from your local sex shop.**

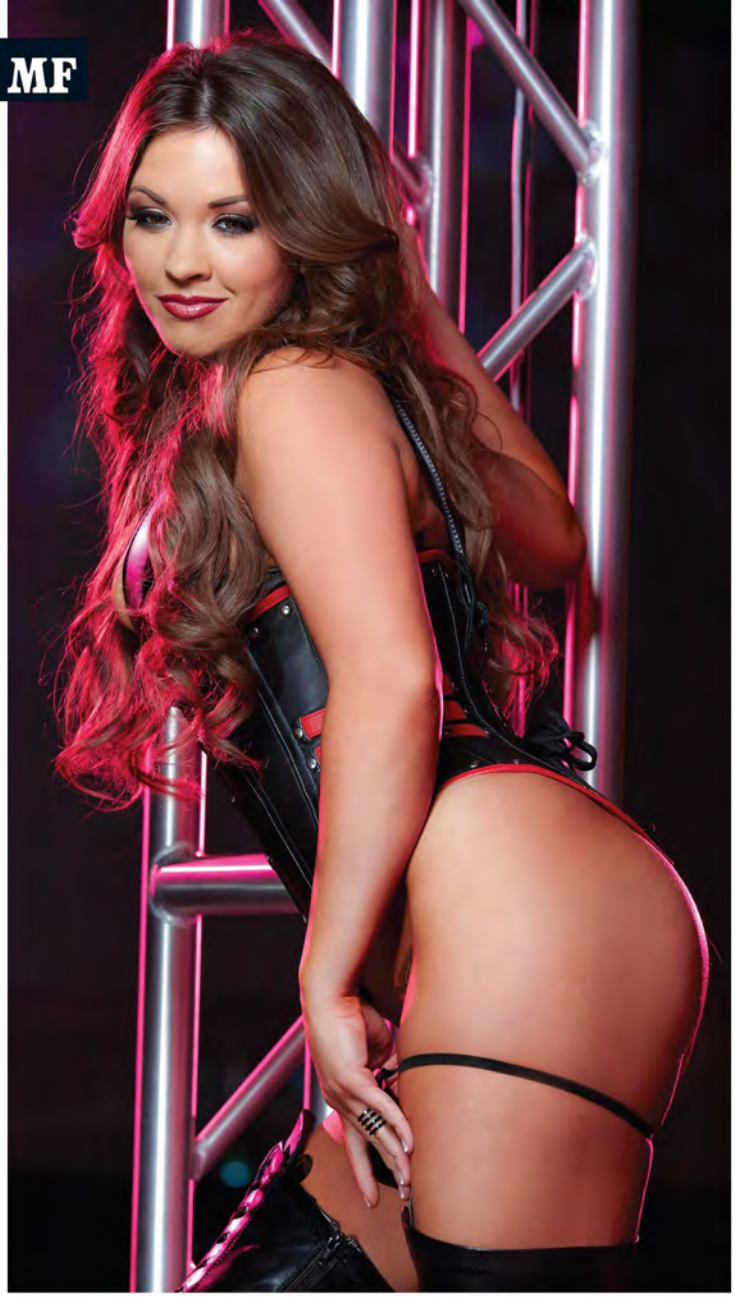
ALICE

Age: 20 **Vital Stats:** 36D-24-36 5'4"
Photographer: Twistys



Time for one more newbie before we call it a wrap? Why yes, there is! Alice here may only be a tender 20 years of age, but she's clearly got her head around her sexuality alright, from what we can see...

"Yes, I have! I've always known I was a very sexual person, and as soon I was old enough I began exploring that side of my nature. Appearing in Mayfair is just one of the things I intend to do!"

Well let us know if we can help with any of the others!

M

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I first met Adam on Christmas Eve, five years ago, and we've been together ever since. We're not only best friends, but our sex life is fantastic, too – however, like every relationship, we add a bit of spice ever so often, to keep things in the bedroom fresh and exciting.

A few years ago, Adam came up with a new game – which has become our favourite regular sexy pastime. It involves pretending we don't know each other and having completely 'anonymous' sex, sometimes without saying a word to each other. When we started, it was something we'd only role-play in the privacy of our own home, but as time's gone on and we've felt the need to up the level of danger, we take it to more and more risky places.

At first we'd meet up in hotels and pubs – he'd be reading a paper with a pint and I'd walk through, heading straight for the men's toilets. He'd follow me in and would knock on the cubicle, to find me bent over and waiting for him, at which point he would simply fuck me from behind, as hard and fast as he could, then go back to his pint, not even looking over at me if I sat down nearby.

Once, we caught a random train to the countryside, sat separately but met in the toilet so he could give me a good seeing to over the sink unit. Then, when we got to our destination, we walked until we found an empty field, then spent the afternoon making love in the grass.

We've also screwed in a clothes shop dressing room, in a lift, a car park at an airport and even in our local cinema! There are plenty more places I have yet to suggest to him, but we've always planned our little escapades together. So, the night before our anniversary last year, I decided to spring a big surprise on him...

He always goes out for a run at the same time every evening, and always runs the same route. On this particular night, however, I had planned to wait for him on his way home, for a little bit of fun. After dinner, I had told him I was going for a long bath and disappeared to get myself ready. I put on a tight, black dress, hold-up stockings and high heels – with no underwear – and a long coat, did my make-up and left the house.

I had picked a spot in the park just around the corner from us, where I'd be able to spot Adam coming, but also where I could disappear into the ample bushes, if someone other than him came along.

It was a bit nerve-racking – it was still quite early and despite it being dark out, there was no guarantee we wouldn't get seen. I waited patiently, leaning up against a tree, but alert to any noise I heard.

I hadn't been there for very long, when I spotted a figure approaching up the path. I recognised Adam the second I clocked him, but he didn't see me immediately so I moved further into view. He looked shocked when he finally laid eyes on me in my sexy dress, and even more so when he ran closer and saw me lifting my skirt to expose my naked, shaved pussy.

Slowing to a stop, he was already out of breath, but when I moved behind the tree and dropped to my knees to give him a blowie, his breathing became even more laboured. When I wanked his shaft into my mouth and noshed him off, he let out the occasional groan, turning to a whimper when I sucked his balls!

> I FELT HIS BELL-END NUDGING UP AGAINST MY PUSSY LIPS, JUDGING WHERE MY HOLE WAS...

The risk of getting caught always gets Adam off quicker, so I didn't argue when he suddenly pulled me to my feet and spun me around to face the tree. Without uttering a word, Adam yanked my dress up and kicked my legs apart with his feet. I heard him tugging his shorts down and then felt his hand between my legs, checking to see if I was wet enough for his cock yet. As always in this situation, I was more than a little moist, so I knew he wouldn't waste time with foreplay.

I felt his breath against my neck as he moved in closer, then his bell-end nudging up against my pussy lips, judging where my hole was, before plunging in deep with one fell swoop. I gasped as he roughly shoved his dick inside my tight pussy, grabbing the tree trunk to stead myself as he immediately began banging in and out of my juicy snatch, obviously enjoying the mewling sounds I was making.

I had wondered it might have been better to intercept him near the start of his run, where he'd have more energy, but the adrenaline was really flowing through him now and he was screwing my brains out as hard as he could – so much so, I had to really concentrate on not crying out.

I wasn't too worried about coming myself – I was getting my kicks out of what this was

doing for Adam – but my body surprised me, and as he fucked me, I came hard, my pussy clenching around his meat and squeezing him tightly.

Unsurprisingly, this set Adam off and, gripping my shoulders, he slammed violently into my pussy, grunting loudly until his body began shuddering, and he let go, blasting a huge load of jizz deep inside my already soaking snatch. As he pulled out I quickly pulled my dress back down and, without saying a word to him, walked off across the park in the direction of home.

He jogged passed me a few seconds later and, by the time I got home, he had showered and was laying naked on the bed, waiting for me. I hadn't wiped myself at all, so by the time I made it into the bedroom, the mixture of spunk and pussy juice had run down my thighs and soaked into my lacy stocking tops.

Still not speaking, I stripped out of my dress, down to my stockings and stilettos and straddled him, this time gazing right at him grinning at me, as I rode his cock hard – this time making as much noise as I could!

We've got a few more scenarios in mind for the near future and, if they turn out to be good ones, I'll write in again and tell you all about them!

"I SLOWLY DRAGGED MY TONGUE UP AND DOWN THEIR THICK, VEINY SHAFTS, SAVOURING THEIR DELICIOUS MUSKY FLAVOUR."

My name is Emily. I'm 22, with long dark-brown hair and a slim, attractive build. My dad is loaded and owns a sprawling country estate in Argyllshire, up in Scotland – perhaps I'm your typical spoilt little rich girl.

I have a voracious appetite for sex, and back home in North London I'm forever sneaking one or two boys up to my bedroom for secret shagging sessions, or sucking men's cocks in my doorway.

Two weeks ago, I went up to Scotland with my dad for the first time. My mum was away to the South of France to see her brother. I was in Scotland for five days and on the third day my dad had to drive down to Glasgow for a business meeting. Apart from a couple of staff, I was left in sole charge – the lady of the manor, if you like!

Wearing a revealing bright white mini-dress, I had a nose around. A short walk from the main house, I came across the estate manager's office. The estate manager is Declan, an Irishman in his late 30s and a good mate of my dad's.

Finding the office door unlocked, I went inside and had a snoop around. Looking through some filing cabinets behind Declan's desk, I reached the bottom drawer and lurking beneath some papers I glimpsed a pile of porn mags.

Slightly shocked at first, my heart started racing and I began to get excited and turned-on as I pulled out a few of the girlies magazines. Yes, there were several *Mayfair*s (which is where I got the idea of writing to you guys about this sexy experience) and I got so horny and sexed-up that I soon popped my breasts out of my dress and rubbed my free hand over my tits. My hand strayed down and I rolled my dress up around my waist and slipped my damp white cotton panties down to my knees. The dirty mags had filled my head with such naughty thoughts – I just had to bring myself off there and then.

Opening my legs, I finger-fucked my shaven twat, and as I plunged my fingers in and out of my hole I casually stroked my clit, making myself come twice. Puffing and panting with pleasure as I frigged myself to yet another juicy climax, I was so caught up in my own self-abuse that it hardly registered when the door flew open and in marched Declan and his assistant, Nick – a guy in his 20s.

"What the bloody hell…!?" gasped Declan in his thick Irish brogue, while Nick just stood there, his mouth agape in astonishment at seeing me sitting there with my fingers wedged inside my naked, juiced-up fanny.

"Ooh, my God," I gasped, letting the mags slip from my grasp as I did so. "You've really caught me in the act this time boys. I'm a really bad girl, aren't I?" I smirked.

Having not had a cock in nearly a week, I was gagging for a good seeing to, and these were men, not boys. "Come and get it lads," I teased as I rose from the chair and let my panties slide down my legs and off. "Get your hard cocks out and let me play with them," I continued with a smile as I lifted my little dress clean off and stood before them completely naked.

"Declan, what…?" muttered Nick as both men hesitated for a second, unable to take their eyes off my tanned, firm, 18 year old body. The promise of a warm, open pussy quickly persuaded them!

"Lock the fucking door, Nick," said Declan. "Let's give the filthy little slut what she wants," he added. I watched, smiling, as the two men stripped off. Seconds later, they were starkers, exposing two of the biggest cocks I had ever seen.

Kneeling in front of the two men, I stroked my fingers over each of their stiff cocks and gently squeezed their balls. Their throbbing, swollen erections pointed upwards as I wanked them off one at a time – the swollen purple heads resembling a pair of ripe, juicy plums. Moving my mouth to their quivering knobs, I slowly dragged my tongue up and down their thick, veiny shafts, savouring their delicious musky flavour.

The men gasped with pleasure as I circled my mucky wet tongue around the bulbous helmets of their strong, straining hard-ons. Opening my mouth, I took Declan's cock between my lips and pushed down, feeling the tip of his dick bump against my cheeks as I sucked him off. At the same time, I continued to wank Nick off. As I pleasured each of their poles, both men reached down and ran their hands through my long brown hair then roughly kneaded and squeezed my pert round tits. I withdrew Declan's cock from my mouth when I felt a little bit of pre-come slip down my throat.

"Why don't you fuck me, Declan?" I murmured as I rolled his glistening dick over my face and tits. As Declan moved around

behind me, I thrust my cute little bum in the air and opened my legs for him. Declan gripped my arse cheeks and pressed the head of his shaft against my wet, slippery pussy lips. A moment later I was moaning in pleasure as he entered me, his thick shaft filling my tight hole right up and stretching my fanny walls to their very limits.

As Declan pumped his cock in and out of my tight hole, Nick sat in front of me. I leaned down and, taking his cock in my mouth, eagerly sucked his monster erection, making him gasp with delight as I pushed my lips up and down his veiny member. As I sucked him, I tugged the root of his length and fondled his sperm packed balls while Nick reached under me and expertly massaged my firm young tits.

With both men's cocks inside me I felt so slutty at the roasting I was taking, as well as being totally ecstatic. When Declan put his arm around me and stroked my clit as he powerfully rammed his dick in and out of my hole, I writhed wildly, coming all over his shaft and balls.

Suddenly, Nick groaned out loud as his cock exploded and filled my mouth with his hot, salty spunk. As I greedily drank down Nick's gooey jizz, he pulled out and let go another copious wad of sperm all over my face and titties. Then Declan pulled out and furiously wanked his dick into my face.

"Come on my face," I purred sexily. "Shoot your spunk all over me," I coaxed. Declan tugged away and I flicked my tongue over the tip of his prick. I screamed with delight when Declan's cock finally burst its banks and fired a deluge of sticky white come into my mouth and over my face, neck, tits and stomach. Christ,, some of it even landed in my hair.

What a gloriously slutty mess I must have looked – my body plastered with both men's filmy sperm. Like a filthy little tart, I scooped their cock cream off me and eagerly licked it from my fingers. Squeezing their bell-ends, I licked each of their wilting cocks clean, revelling in being a dirty little spunk-slut. Pulling my dress back on, I headed back to the main house. Shagged out, I enjoyed a long, hot, soapy shower and a pleasant afternoon nap before my dad got back, none the wiser.

One of my colleagues, Jess, recently got engaged to the love of her life. I've worked with her now for four years and she has always been a very quiet and shy person and whilst always an active member of any work outing, she would never really do anything to draw herself out from the crowd. So it was with the minimum of fuss that we celebrated her news when a few of us from the office headed into town last Friday night.

After a few glasses of wine the mood loosened and as usual the conversation amongst the girls turned sexual – and as usual Jess drifted towards the back, avoiding the conversation. At the end of the evening the girls all headed home and Jess and I headed back to mine, where she was staying.

The cork came out of another bottle and for the first time, Jess's tongue began to loosen. Despite being 25, it seemed her silence stemmed from an almost total lack of experience, which, she confessed, leaves her embarrassed when pushed on the subject. Whilst she confessed to having slept with a couple of guys, including her spouse to be, it was clear that she had done little else.

Eventually having plucked up the courage with the help of another glass of wine, she confessed that she had never given or received oral sex in her life and she started to quiz me on the various techniques and methods. We both giggled as I used the neck of the wine bottle to display my techniques, before describing to her the pleasures of a good tonguing. Whilst I talked dirty to Jess, I could see her wriggling in the chair, and could sense she was as horny as me. With the help of a night's worth of alcohol, my mind began to hatch a plan. I had never tasted fanny before, but Jess was a very pretty girl and if there was a time to break the duck, then this was most definitely it.

I moved across the room and knelt before her. She looked at me quizzically, but I fixed my eyes on hers.

"I'll show you if you like," I said, my heart pounding. I moved closer to her and put my hands on her knees. I started to pretend to lick her out and each time, I moved closer and closer to her, pushing her skirt up above her knees as I homed in. I kept eye contact with her, expecting her to leap up at any moment, but I think she still thought I was mucking about and just watched me. I reached her candy pink panties and breathed heavily onto her crotch, hoping my breath would penetrate the fabric. I heard her moan and she wriggled towards me, closing her eyes as she did so. I took this as permission and slipped my finger under her panties and pulled them gently to one side, exposing her moist, pink lips.

I moved in closer and ran my tongue along the length of her slit. I heard her swear under her breath and she wriggled even more, giving me total access to her gorgeous fanny. My tongue flicked her lips and, as she got wetter, I got my first taste of pussy. Warming to the occasion, she ran her fingers through my hair, encouraging me to continue, so I gently took her swelling lips into my mouth and sucked on them. She was panting quickly and I could sense she was close to orgasm. I continued to lap and lick her musky fanny, but at the point of orgasm she grabbed my hair and pulled me free, her body quivering, her lips moist

and shiny.

I pulled away, but knew she was on the edge and when her grip relaxed, I headed again for her minge but my demonstration was cut tantalisingly short when the front door slammed and Ollie, my boyfriend wandered in from a night at the pub with his mates.

I leaped back onto the chair as Jess straightened her skirt and once my heart stopped pounding, my mind settled on a slightly different plan to satisfy a clearly excited Jess.

Now Ollie has always loved a good blow-job so as he walked into the kitchen, I looked straight into Jess's eyes and said, "You could always have a go on Ollie."

"Do you think he'd mind?" Jess asked, her eyes lighting up at the prospect of a little premarital practise. I hopped up off the settee and stuck my head around the kitchen door and could hardly believe what I was doing as I asked Ollie to join us.

I stood behind him and whispered my plan into his ear as I unbuckled his leather belt and unbuttoned his jeans. Unsurprisingly, I met no resistance from him so I pulled them down over his hips and down to his ankles, then repeated the process with his boxer shorts. His rapidly stiffening cock bobbed in front of Jess's face and she bent forward and kissed it on the tip before licking her lips slowly. Ollie sat on the arm of the settee with Jess knelt between his legs as she began to kiss and caress his ever hardening shaft. I sat opposite and surveyed the scene, beginning to feel incredibly horny watching one of my best mates playing with my boyfriend's manhood.

As Ollie's member reached almost full stiffness Jess pushed his foreskin back using her thumb and forefinger exposing Ollie's huge purple, shiny helmet. Jess bent over him and licked all around his bell-end, tickling him with the tip of her tongue. Ollie closed his eyes and savoured the moment.

"You need to get it as far back into your throat as possible," I coached from the arm of my chair. Jess looked at me briefly and closed her lips over Ollie's bell-end sucking slowly and gently as she started to bob up and down. Each time she slid down his shaft she managed to take a little bit more and slowly but surely Ollie's rigid and veiny pole disappeared between her moist, pink lips. She must have managed to push it into her throat and before long she had gobbled his entire six-inches into her virgin mouth.

With nobody paying me any attention I slowly slipped my hand inside my pants and gently began rubbing my swollen clitoris in time to the bobbing of Jess's head. She was now sliding her lips confidently up and down Ollie's entire length from the tip to the very root. She salivated as she hungrily gobbled his cock and saliva ran down his shaft, coating his balls in her shiny juices. Ollie began to move his hips up to meet her encouraging her to eat him more quickly and deeply. She was catching on and now having cupped his balls in her hand she started to squeeze them rhythmically. Ollie was groaning more loudly and watching Jess's head bobbing in his lap, her lipstick smeared all over his shaft. He ran his fingers through her long, dark brown hair pushing down on her head, dictating her rhythm and the depth of his cock in her mouth. The deeper the better he liked it, as I knew from much previous experience.

Ollie's moans grew louder still and I am sure Jess would have been able to feel his rock hard pole continue to swell and throb as I had so many times in the past. I could imagine and almost taste the salty pre-come dripping from his helmet as he approached his climax. I continued to rub my own clit with my finger as I watched Jess, my pussy now as wet as hers had been earlier. Still she continued to gorge herself on his dick, sucking and slurping with every breath like a woman possessed, her hand gripped loosely around his shaft, squeezing him gently as she sucked.

> BEFORE LONG SHE HAD GOBBLED HIS ENTIRE SIX-INCHES INTO HER VIRGIN MOUTH

Groaning and moaning I knew Ollie was having a ball, he started to buck his hips even faster and rested his hands on the back of Jess's head. He almost shouted out loud as every muscle in his body tensed and he fired his hot spunk into Jess's hungry virgin mouth. I saw her swallow straight away drinking his seed as she fixed her eyes on his. She gripped the root of his cock and wanked him off as he continued to spurt his hot jism between her lips. Ollie collapsed in a heap on the settee with lipstick and saliva glistening on his cock.

Jess looked at him slumped on the settee then looked over at me. A bead of creamy white spunk ran down her chin from the corner of her mouth and she wiped it with her finger and sucked it clean. She stood up immediately and walked into the kitchen. I retrieved my hand from inside my damp knickers and followed her in.

"So then, marks out of ten?" I asked.

Jess just looked at me. "Ollie? Definitely the best yet!" she said at last, a smile spreading across her face as she stepped towards me and planted a kiss onto my lips so I too could taste my boyfriend's spunk, the devious cow! I don't suppose her husband to be would be too happy to know about what she'd been up to, but there's no doubt he'll benefit from the lessons she's learnt!

Roxanne

PHOTOGRAPHED BY JOHN GRAHAM

A fast exposure camera is needed to catch shots of the mercurial Roxanne Underhill. This gypsy-like 23-year-old flits swiftly from country to country, place to place. 'I've got a Romany soul,' she confesses. 'I can never stay put in one place as I always feel I'm missing something going on somewhere else.' Roxanne's wanderings began at the age of 19, when she moved out of her parents' house in Leeds to begin an art foundation course in London. 'I only did a few months of that before I realised it wasn't me. I can hardly paint a wall let alone a bowl of fruit.'

Freed from the restraints of art college, Roxanne began her nomadic existence. 'I had this scheme to tour all of the most expensive nightclubs in Europe without paying. I got dressed up to the nines, and waited for the right sort of single man to turn up, and then persuaded him to pay for me all night. It was great. I met some really nice people,' she says. Back in the UK, Roxanne looked up her old art school contacts, and took up modelling, progressing rapidly from canvas to camera with remarkable ease and style.

MAYFAIR Classic

Here's a rather interesting set of pictures from 26 years ago and no mistake. Who knows, perhaps Roxanne Underhill really did have a bit of gypsy in her – she's certainly got the right sort of look, even if she is worried about being a little hairy down below. Frankly it seems pretty amazing that this set only dates back to 1990 – it's got a real 70s vibe about it. We wonder how Roxanne and her dangly earrings and glass of sherry are getting on now...

John Broadwood & Sons
London

'I've been modelling for quite a while now,' says 34-22-34 Roxanne, 'but I've been a little wary of going fully nude before . . . I've always thought I was a little, well hairier than most girls, you know . . . eh . . . 'down below' as it were'. Adding coyly: 'I know a lot of men like that kind of thing, but it makes me rather self-conscious. I even thought about shaving it all off once but chickened out at the last second.' At the moment, Roxanne is planning a whirlwind trip around the UK. 'I've seen most of Europe,' she says, 'but never visited Scotland. That's next on my tour list.'
